Dear Parent/Guardian,

Please find attached to this letter, your son's first assessment report of this academic year. The end of year target has been based on your son's SAT scores at reading and mathematics. This is currently the only information we have to base a target on. However, as the year progresses, we do receive more information which will allow for more bespoke targets to be set for your son to work towards.

Please note though that targets are only an indicator of what your son has achieved in the past and where that should take him as a minimum in the future. All targets are constantly reviewed at each assessment point and year end to ensure that they remain realistic but stretching. They should not be used as a point to 'switch' off, on the contrary, they should be used as a challenge to beat and surpass.

These targets move with your son through his five year journey and therefore the key message is that falling behind at any point will mean more progress has to be made later on in GCSE years. Therefore it is good advice to keep supporting your son and pushing him to complete homework to the best of his ability and achieve his best.

Please do not hesitate to contact your son's head of year or individual subject teachers if you wish to discuss his report in more detail.

Yours sincerely

Miss A Freeman  
Head of School
